

Gilzy ♥ Gispy

Gilzy is a snail.
He carries a beautiful shell on his back.

Gispy is a slug.
She does not need a shell.

One day they met each other.
They immediately fell in love.

They wanted to be together forever.

Gilzy wanted to be like Gispy
and he took off his shell.
Immediately he began to shiver
from the cold.

Gispy wanted to be like Gilzy.
She put a shell on her back.
But she could not bear the heavy weight.

Gilzy and Gispy thought their love
would be over.
They wouldn't be able to be together.

Gilzy thought hard.
For me she does not need a shell.
I love her as she is.

Gispy also thought hard.
I like his shell so much.
I love him as he is.

And maybe that is true love.
Not trying to change the other.
But to love someone,
like he or she is.

And so they were even more in love,
than they had ever been.

And then they lived
happily ever after.
